Details

The Clinic will be run by the Hunterdon Central Girls Varsity coaching staff, as well as Varsity players

Coach Marybeth Driscoll—Head Coach

The clinic will emphasize fundamental skills and drills essential to success on the lacrosse field. From the beginner, who has never held a stick, to the more experienced 8th grader—participants will learn specific drills to improve their skill level of play and help prepare them for the 2010 season.

The staff and players are volunteering their time and talent in the cause to assist the progress and quality of Lacrosse and support the 2010 high school booster club efforts. For those players who have never had an experience to play, we have equipment for you to use.
